

# Homeland Security

## U.S. Department of Homeland Security Office of Infrastructure Protection and the California Governor's Office of Homeland Security

Presents

---

### *Private Sector Counterterrorism Awareness Workshop*

---

**Date:** Tuesday, September 23, 2008

**Time:** 8:00 am – 5:00 pm

**Location:** California Department of Public Health  
East End Complex Auditorium  
1500 Capitol Avenue (adjacent to the east end of Capitol Park)  
Sacramento, CA 95814

#### **Who should attend**

This workshop is designed to improve the knowledge of private sector security managers and directors by providing exposure to key elements of soft target awareness, surveillance detection, and improvised explosive device (IED) recognition.

The workshop will provide the participants an opportunity to:

- Gain insight into terrorists' objectives and trends related to tactics, techniques, and procedures
- Recognize potential indicators and warnings of terrorist activity
- Receive an overview on current types of IEDs being used
- Review theory and principles associated with Soft Target Awareness, Surveillance Detection, and IED Awareness
- Gain an understanding of the current terrorist threat and efforts underway by DHS and partner agencies to address these threats

#### **Registration**

*Participation is limited due to the seating capability of the venue location and registration will be provided on a first come, first serve basis. To register for this event, please email the following information to: [psct@ohs.ca.gov](mailto:psct@ohs.ca.gov)*

- *Name*
- *Title*
- *Company or Organization*
- *Telephone Number*

*You will receive a confirmation number; registration is finalized only when you receive this number.  
Registration Cutoff: Friday, September 19, 2008*

*This workshop is free of charge. Lunch is not provided, but there are many restaurants in the area.*
