

Our chapter, serves more than 1,200 security professionals in various critical infrastructure sectors across the San Francisco Bay Area, including Information Technology, Healthcare, and Financial Services. Small businesses to multinational enterprises, all reap the benefits of our vast information sharing network and garner support from fellow organizations at the private, local, state, and federal levels.

The San Francisco Bay Area InfraGard Chapter is one of 86 chapters in the FBI InfraGard network and is an InfraGard National Members Alliance member. The San Francisco Bay Area InfraGard Chapter is a **local 501(c)3 non-profit organization** that works closely with various agencies to protect and mitigate criminal and terrorist threats to the 16 critical infrastructure sectors as defined by the Department of Homeland Security.

## Sponsorship Program

San Francisco Bay Area  
InfraGard Chapter

Your generous sponsorship and financial support enables our **non-profit organization** to provide essential information sharing, training, collaboration, and support services to hundreds of companies in the Bay Area.

Our Board of Directors and Operating Committee are comprised of industry leaders from the Bay Area. This group represents multiple critical infrastructure sectors and sets the strategic plan for the San Francisco Bay Area Chapter.

InfraGard events are premier gatherings for professionals across various sectors. Our events are attended by upwards of 150 representatives from multiple federal agencies, law enforcement, and corporate executives and security.

The San Francisco Bay Area Chapter has a high traffic website, holds an average of 6 in-person events each year, and offers various training and collaboration opportunities to our members and sponsors. Our newsletter is promoted and distributed to members, non-members, and sponsors in our ever-growing chapter.

To learn more about these opportunities and how to get involved please contact [info@sfbay-InfraGard.org](mailto:info@sfbay-InfraGard.org)

**PRESIDENTIAL POLICY DIRECTIVE 21 (PPD-21) IDENTIFIED 16 CRITICAL INFRASTRUCTURE SECTORS:**

- |                                |                            |
|--------------------------------|----------------------------|
| Chemical & Hazardous Materials | Financial Services         |
| Commercial Facilities          | Food & Agriculture         |
| Communications                 | Government Facilities      |
| Critical Manufacturing         | Healthcare & Public Health |
| Dams                           | Information Technology     |
| Defense Industrial Base        | Nuclear                    |
